# CLÉMENT CARIOU

## ABOUT ME

**Junior full stack developer studying at Hive Helsinki.**

I'm currently working on React/Next projects.

With ten years of experience in fast-paced customer service, I'm now looking for a new adventure as a developer.

## EDUCATION

### **Hive Helsinki, Helsinki**

2021-2023

- Hive Helsinki is a coding school without any teachers or lectures. Students learn programming through practical, project-based learning.
- At Hive, we do not use any existing libraries and build their functions from the scratch.
- C, Shellscript, Linux, sysadmin, algorithm, Docker
- Introduction to HTML/CSS and PHP

### **Applied foreign language, Université de La Rochelle**

2017-2020

- English, Spanish and Portuguese applied to business
- Law fundamentals
- Management

## PROJECTS AND WORKSHOPS

- **Libft:** personal C library updated regularly
- **Bscore:** web-app tracking score of the four major American sports leagues
- **Lem-in:** implementation of Ford-Fulkerson algorithm to find the best path with a set of rules
- **PHP piscine:** two-week intensive php course, with introduction to JS and SQL
- **Cyber security Base:** introduction course to cybersecurity, Helsinki Open University
- **Full Stack Open:** currently studying out of curiosity to expand my knowledge in web development
- **Game Jam:** dungeon crawler 2d games using Unity, focus on level design and interactions

## ■ WORK EXPERIENCES

### **Cocktail Bartender, A21 decades Helsinki**

2017-2020

Active part of a multi awarded bar.

- Teamwork, problem solving and customer service skills while working under time pressure
- Event planning and public speaking (tasting sessions, cocktail schools ...)
- Attention to detail, providing constant high quality services

### **Cocktail Bartender, Pastor Helsinki**

2016 - 2017

- Designing menus and sales strategy
- Customer service

### **Headbartender, YAK Italian Melbourne Australia**

2015-2016

- Managing a small bar team of 4 people
- Staff training
- Ensuring closing and opening
- Writing reports

### **Headbartender Penn Ar Bed, France**

2008-2014

- Coordinating musical events
- Hosting
- Improving customer loyalty
